

Qt;Athon {2024;}

Thamaraimanalan M, with his team Yeagerists, has participated in Qt;Athon 2024 and placed on third place.

A handwritten signature in black ink, appearing to read 'Bruno Vunderl', written over a thin horizontal line.

Bruno Vunderl, Product Lead & Head Judge of Qt;Athon

Qt;Athon is a coding competition for students organized by Qt Group. The 2024 Qt;Athon was held in two rounds. The first one consisted of three small coding tasks. The 10 best teams from the first round advanced to the second round where participants had a project task.
